Your Excellency,

INTRODUCING 'GLOBAL BUBBLE 2016': MAINSTREAMING NIGERIA TO THE GLOBAL AGENDA ON '100 DAYS OF HAPPINESS' (A CALL FOR PARTNERSHIP).

We write to support the proposal by the African Youth Movement to showcase the Global Bubble Agenda in Delta State.

As you know, the Global Bubble Parade is about bringing the 100happydays mission come to life in a physical event worldwide. Bringing people together who believe that it is possible to have a happy life and to celebrate the small victories and moments in life. The event is oriented to build more resilient and diverse communities, to increase awareness about personal wellbeing and to create positive interactive experience between the city and its inhabitants.

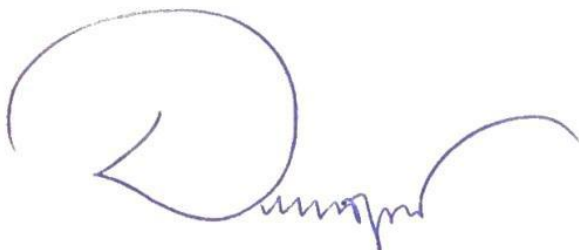

Global Bubble is an initiative of the 100 Days Foundation.

In Nigeria, Global Bubble will work with the African Youth Movement as local host and national focal point.

We hope to work with your esteemed office to build resilience and make more people happy and smile in Delta State, Nigeria and Africa.

Thank you.

Sincerely,

Dmitry Golubnichy
President
