## **WISE 2011: WORLD INNOVATION SUMMIT ON EDUCATION.**

I am impressed with your initiative and achievements on behalf of African Youths. Science and technology is the driving force for development and provides the pedestal for job creation for the youths.

His Excellency, Dr. Goodluck Ebele Jonathan, GCFR, President, Federal Republic of Nigeria focuses on Science and Technology as one of the tools for his transformation agenda. The Federal Ministry of Science and Technology is realigning its focus to support this agenda.

The Ministry therefore endorses your initiative and encourages other stakeholders to support you.

Please accept the assurances of my highest consideration and best wishes.
